## **A Rotary Moment**

Pat Ettonsohn explains our club's local legacy giving opportunities.

The Noontime Rotary Club "Legacy Circle" was formed to recognize those club members who choose to make a planned gift through estate giving to ensure the continuation of our club's future good works.

Joining this circle is very simple. Please see Pat Ettonsohn for more information on how you can become a member.

## Our Speaker

Cindy Love Abonadour with Keith Damron, CEO of “Step Smart Collier”.

Getting older doesn't have to mean giving up your home but seniors must keep in mind that living at home comes with a greater risk of falling and being injured or worse. Keith distributed a checklist of 100 things we can do to make our homes a safer place.

Many are very simple and/or low-cost and each one contributes to reducing potential hazards.

Particular areas to pay attention to are:

- Bathrooms
- Kitchens
- General living areas
- Garages
- Outdoor spaces including entryways

If you missed Keith's presentation, you can log on to their website at [www.stepsmartcollier.org](http://www.stepsmartcollier.org) for detailed information.

## The 4-Way Test

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better friendships?
4. Will it be beneficial to all concerned?
