## Stephen Edward Davis III, Ph.D The Everglades Foundation

Dr. Davis' timely presentation focused on Everglades restoration planning, ecological forecasting of restoration scenarios, and impacts of sea-level rise.

His analysis of present and future water availability and quality issues for the State of Florida was thought-provoking and sobering but encouraging.

Pat Rutledge presents a check in the amount of \$1,500 to Mike Richards, representing Collier Harvest Foundation.

Collier Harvest is dedicated to providing healthy and nutritious food to our hungry neighbors across Collier and southern Lee counties.
